What is Confirmation?

- **Confirmation is a chance to confirm the promises made for you at your Baptism when you were a child. A chance to affirm your own faith for yourself, have a Bishop pray for you and the rest of your journey of faith in Christ and affirm your place in the Church.**
- **If you were baptized as an adult and feel the time is right to publicly affirm that faith then you too can be confirmed. You will affirm your faith and your desire to be a member of God's Church**

What if I was Confirmed when I was younger and want to do it again?

- **If you have already been baptised and confirmed but feel you would like to reaffirm your promises to God, do contact us, we can discuss with you how can we do this.**
